

Dear Arrjun and Team,

I would like to take this opportunity to express my sincere appreciation and gratitude for the invaluable experience I received at A&T Human Resources. Working with such a professional and supportive team has been an incredibly rewarding experience, and I am thankful for the opportunity to grow both professionally and personally.

During my time at A&T Human Resources, I have gained valuable insights into the day to day operations of an employment agency and the various aspects of the human resource field. I have had the opportunity to assist with recruitment, researching potential clients, and other various administrative tasks, which have allowed me to enhance my skills and expand my knowledge. I feel privileged to have been able to contribute to such a dynamic and collaborative work environment.

A special thank you to Arrjun for your mentorship and guidance throughout my placement. Your thoughtful direction has been instrumental in aiding me in developing new skills and expanding my knowledge and understanding of human resources. I greatly appreciate the time and care that you took to ensure that I received meaningful, yet challenging tasks.

I would also like to extend my gratitude to the rest of the team, including Jona, Sam, Nav and David, for your warmth, support and willingness to share your knowledge. Each of you contributed to making my co-op experience truly memorable, and I have learned so much from working alongside you. Your professional expertise, patience and encouragement have made this experience one that I will carry forward with me.

Once again, thank you all for making my time at A&T Human Resources such a rewarding and unforgettable experience. I have thoroughly enjoyed working with such a welcoming team. I hope that future co-op students will have the opportunity to experience the same positive and growth oriented environment that you have all created.

Best regards,
